

## VPAG DISCUSS AND CREATE FALL & WINTER SCHEDULE

On the first Wednesday of every month, **adults of all ages** are invited to join us for a tour and discussion of the current exhibitions followed by a related art project.

### WEDNESDAY SEPTEMBER 6TH AT 1 PM WATERCOLOUR GALAXIES INSPIRED BY DESTANNE NORRIS

Join us for a quick tour of Destanne Norris' exhibition *Stellar*, where we will talk about all things outer space! We will then get our hands busy by creating our own galaxy paintings using watercolour paint, rubbing alcohol, salt, and acrylic paint.

### WEDNESDAY OCTOBER 4TH AT 1 PM BOLD SALMON PAINTINGS INSPIRED BY SHELDON LOUIS

Join us for a tour of Sheldon Louis' exhibition *Ancestors of the Columbia* where we will discuss the historical story that inspired the works in the exhibit. Inspired by his bright, bold, and graphic paintings, we will head to the classroom to paint our own Salmon paintings using acrylic paint.

### WEDNESDAY NOVEMBER 1ST AT 1 PM ENVIRONMENTAL COLLAGE INSPIRED BY TARA NICHOLSON

This session will start off with an informative tour of the artworks in Tara Nicholson's exhibition *Cultivate*. Inspired by her photographic works dealing with the politics of cannabis, we will create our own narratives using the medium of collage.

### WEDNESDAY DECEMBER 6TH AT 1 PM MIXED MEDIA ARTWORKS INSPIRED BY OUR MEMBER'S EXHIBITION

This month we will start our session off by engaging with the artworks included in our annual Member's Exhibition. Inspired by the variety of artworks and media used, we will head to the classroom to create our own mixed media artworks.
